Breeding dates:

Pup backs will be chosen by week 4. If only two pups are born in the litter, one puppy will be given to stud owner, and a re-breeding shall be placed. All Pup-back deals are for FULL AKC puppies, any false paperwork or incorrect DNA discovered will result in a charge of \$10,000.00.

If only one puppy is born off a pup back stud service, half of the stud fee is owed, and a re-breeding will be conducted/given, or dam owner can give the one puppy to stud owner, and stud owner will offer a rebreed with a second pick of the litter deal.

FASTLANE FRENCHIES presume that two live puppies born are considered a litter. **FASTLANE FRENCHIES** nor the sire to the litter is responsible for the number of eggs produced by the female. Should the female in the breeding not take on the first breeding, provided with proof by a licensed veterinarian; **FASTLANE FRENCHIES** will provide one breeding for repeat, but shipping is again at buyer's expense.

Should said litter be born with cleft palates or deformities are present in the litter, this again is not qualified reasoning for a repeat breeding as many of these can take place due to lack of proper prenatal care.
